Screening Information

- Service Providers are required to have an implemented Company Security Policy that meets/exceeds any requirements of the services bidding on.
- Any and all costs incurred to maintain a security policy are the sole responsibility of Service Provider and **costs should be considered at time of bid.**
- Tegrete has no affiliation with the companies listed below, nor do we recommend these companies. Rather, we are providing a list of resources you may consider. We strongly encourage you to conduct your own research to ensure the reliability of any organization you elect to use.
- Effective 7/1/2017 Tegrete no longer has partnerships with any screening companies. Please discard any materials or resources you have used in the past. **All service providers must arrange for their own background and drug screening as required by the terms of the Tegrete contract.**
