Tegrete Corporation Promotes Colleen Fischer to Senior Vice President of Operations and Business Development

SAINT MICHAEL, MINNESOTA (July 16, 2018) – Tegrete Corporation, provider of nationwide facility management services, today announced the promotion of Colleen Fischer to Senior Vice President of Operations and Business Development.

“Colleen has been extremely valuable in the growth of our company, both internally and externally. Her project management skills and professionalism are second to none. She also embodies all of our Core Values, which is crucial. We were thrilled to promote her to this position,” said Teresa Carlson, CEO of Tegrete.

Ms. Fischer joined the company in April 2015 as Vice President of Business Development and Marketing. During her time, she provided strategic direction, business development and process improvement. This well-deserved promotion comes following her management of several successful projects that increased both productivity and communication.

Ms. Fischer was also responsible for the oversight and implementation of an automated RFI/RFP system, and more recently, has been highly influential in the R&D for a new contract management program and will provide direction and oversight during the implementation. Moreover, she was integral in the significant growth over the past two years and continues to develop and foster additional customers and sources of revenue.

Tegrete Corporation successfully manages services for hundreds of clients across the U.S., and provides customized solutions delivered by highly skilled service providers who have passed a rigorous vetting process. For more information about Tegrete’s proven 5-step process, please visit their website at www.tegrete.com.
